**EQUIPMENT INFORMATION**

Evaporative Cooling System Installation (All information is required)

Only evaporative cooling systems pre-qualified by UAMPS are eligible for incentives. For a listing of pre-qualified models, ask your dealer or visit: [smartenergy.uamps.com](http://smartenergy.uamps.com)

Dealer ID# or retailer name: \_\_\_\_\_ Manufacturer: \_\_\_\_\_

Model number: \_\_\_\_\_ Model serial number: \_\_\_\_\_

Purchase date \_\_\_\_\_ Installation date: \_\_\_\_\_

Installation type: (check one)

- First-time Installation     Replacement     Premium evaporative     Premium whole-house ducted

**CUSTOMER ACCEPTANCE OF TERMS**

I hereby certify that all information is accurate including claims of customer and equipment information. I have read all terms on this form (front and back) and acknowledge that UAMPS may verify all the information provided.

Signature (required) \_\_\_\_\_ Date \_\_\_\_\_

Applications need to be complete. Please make sure you check the following:

- |   |  |
|---|--|
| <input type="checkbox"/> Included a copy of the dated sales receipt/invoice.        | <input type="checkbox"/> Included your Energy Partner's electric account number. |
| <input type="checkbox"/> Completed all required customer and equipment information. | <input type="checkbox"/> Signed and dated the application.                       |

Keep a copy for your records. Mail the completed form within 90 days of purchase or installation to:  
**Cool Cash Incentive Program Administrator, 155 North 400 West, Suite 480, Salt Lake City, Utah 84103**  
**Phone: 888-365-1558 – Fax: 801-561-2687**

Your incentive check will be issued within 45 days of receipt of your completed and approved incentive application.

**QUALIFYING CUSTOMERS**

Residential electric customers who purchase their electricity from a UAMPS’ participating energy partner are eligible to participate in the Cool Cash Incentive program.

**QUALIFYING EQUIPMENT**

Evaporative cooling systems must be listed on UAMPS pre-approved equipment listing in order to qualify for the available incentive. A copy of the qualified equipment listing is available on the program website at: [smartenergy.uamps.com](http://smartenergy.uamps.com) or from your local air-conditioning dealer.

**INCENTIVE SCHEDULE**

First-time installation: **\$400**      Replacement Installation: **\$400**      Premium Evaporative: **\$500**      Premium whole-house ducted evaporative: **\$1,000**

**APPLICATION DETAILS**

UAMPS is administering this incentive program for its participating energy partners. Please reference the program website at: [smartenergy.uamps.com](http://smartenergy.uamps.com) or by calling 1-888-365-1558 to determine your eligibility. All equipment must be new and have been purchased and installed prior to submitting an incentive application. Applications must include all information requested. Incomplete applications will be returned causing delay or denial of the incentive.

UAMPS reserves the right to conduct random inspections to verify information provided on the application. If UAMPS inspects the unit, the incentive application will not be processed until the inspection has been satisfactorily completed. UAMPS reserves the right to inspect and/or install temporary air conditioning monitoring equipment on any installation of qualifying equipment at any time up to 24 months after installation for quality control of the application or program performance evaluations. Incentive qualifications and amounts are subject to change and termination at any time. Participating energy partner’s customers should visit the program website at: [smartenergy.uamps.com](http://smartenergy.uamps.com) or contact your local dealer to determine whether program changes have occurred.

Customer agrees to transfer to its electric utility all “environmental attributes” attributable to the qualifying equipment or its operation. Environmental attributes include any and all credits, benefits, emissions reductions, offsets and allowances, howsoever entitled, resulting from the avoidance of the emission of any substance to the air, soil or water at or by electric utility’s generating facilities, through reduced generation of energy or other savings or offsets on account of the qualifying equipment or otherwise. Customer will not claim ownership of any environmental attributes.

All incentives are issued in the form of checks not utility bill credits. UAMPS and its energy partners are not responsible if your dealer provides inaccurate information about the amount and/or conditions of the actual incentive and UAMPS will not pay incentives for equipment that is mislabeled or misrepresented by dealers regarding incentive qualifications. Incentives paid to customers are limited to two (2) per qualifying household per qualifying measure. Customers may apply for up to two (2) evaporative equipment incentives for the same measure, and up to two (2) central air conditioning equipment incentives for the same measure where such qualifying equipment is purchased and installed on the same existing residence and meets all other program requirements.

Keep a copy for your records. Mail the completed form within 90 days of purchase or installation to:  
**Cool Cash Incentive Program Administrator, 155 North 400 West, Suite 480, Salt Lake City, Utah 84103**  
**Phone: 888-365-1558 – Fax: 801-561-2687**

Your incentive check will be issued within 45 days of receipt of your completed and approved incentive application.
